

Overview

For the third time, Exhibition World Bahrain (EWB) proudly welcomed the 14th edition of the Youth City 2030 event from 13 July to 21 August 2025. This annual initiative, organised by the Ministry of Youth Affairs under the patronage of His Royal Highness Shaikh Nasser bin Hamad Al Khalifa, serves as a vital platform for empowering Bahraini youth and enhancing their skills in a dynamic environment. With a footprint of over 9,500 square metres in Hall 3, the event attracted more than 3,000 visitors daily and showcased a comprehensive schedule of entertainment, seminars, hands-on training programmes, and interactive activities designed to inspire and empower the youth.

Venue Preparation

EWB executed a meticulous build-up over ten days, ensuring that Hall 3 was equipped to facilitate the event's extensive programming. This included complete venue cleaning before and after the event, coordination of waste management throughout the event duration, and addressing drainage requirements for portable AC units to ensure attendee comfort. The venue also provided robust security measures and organized shuttle bus services for easy transport of participants. Food vendors within the hall contributed to a vibrant atmosphere, offering attendees convenient dining options.

Strategic Collaboration

The Ministry of Youth Affairs, in collaboration with the Labour Fund (Tamkeen), played a crucial role as a strategic partner. Their commitment to youth empowerment aligns seamlessly with EWB's mission to support community initiatives and foster youth development.
